Average Verification: Failure to provide required verification will result in any prize money and/or other awards being withheld until such verification is submitted. A summer league average may be accepted if the entrant has no winter league of record. Entrants without a qualified average must bowl scratch. The AWBA adjusted tournament average designee will provide adjusted tournament average information for those entrants having same. In all cases where the tournament average is higher than either submitted league average, the adjusted tournament average will be the entrant's entering average as dictated by the current AWBA entering average rule. (Amended 2005) ATTENTION ALL SCRATCH BOWLERS: There will be a Scratch Division even though there are 2 bowlers, however; only 1 will get paid after a 1 game roll-off. So if there are 6 bowlers in Scratch, 5 will get paid and a roll off, 5 bowlers 4 get paid etc. ANY QUESTIONS, PLEASE ASK
