

## **THE ELEVENTH FRAME**

**THE AMERICAN WHEELCHAIR BOWLING  
ASSOCIATION QUARTERLY NEWSLETTER,  
October, 2016**

From Our AWBA Chairperson, Wayne Webber,

Welcome back from summer vacations, I hope everyone had a great summer, now it's time to gear up for your fall leagues.

The Las Vegas tournament is right around the corner so please plan on coming this year it's a great tournament.

The big raffle tickets are out so get your lucky numbers early while they are still out there. They are available through any Board of Director, so buy yours soon, or save up to buy one. Maybe you can sell some, just ask any director for some. We are trying to sell all 400 of them.

### **2017 ELECTIONS**

The Nominating committee is currently accepting names for the AWBA upcoming board elections. There are three openings for new Directors as well as the election of a Chairman and Treasurer. The qualifications for a position on the board are that you must be a member in good standing, over the age of 18 and must be in a position to attend both the Annual Board meeting as well as the Winter Board meeting held in Las Vegas. In addition, you must be in a position to serve on one of the standing committees. We would ask that you give this careful consideration and should you wish for your name to be placed in nomination, contact one of the Nominating Committee members. The members are Dan Spotts, Kevin Schaefer, Harold Bowman and Chairman Wayne Webber. Their email along with other contact information can be found in this publication. We hope you will consider serving this great organization.

### **JIM LANE GOES HOME**

In September, Jim Lane returned to his Father and the AWBA lost another visionary of the sport of Wheelchair bowling. Jim wrote and published in 1980 the only educational book directed at Wheelchair bowling giving those that wished to learn more about the sport a step by step guide. While the sport itself has changed greatly over the last 36 years, his vision has not, that being to insure that every person in a wheelchair knew there was a great deal for them to participate in as long as they had the drive to do so. Jim worked closely with the PVA in California as well as the youth of the state that were confined to a wheelchair while at the same time, making sure that the image of a person in a chair was better understood by those that were not. Jim will be missed by many yet his vision will last for a lifetime. Thank you Jim as you are one of the reason I am bowling today.

Gary Ryan, Treasurer

Wow, it has been a really busy Summer that continues into the Fall. With the Nationals in Ft. Worth, the Southern Open in Dallas, Georgia, the MSCPVA Invitational in Colorado Springs, and the Mid-America/AWBA Invitational in Richmond, things has been hooping for sure. And the tournament schedule for 2017 will be adding 2 new locations. Oklahoma will be back on the schedule thanks to Rich Harrell and we are headed to Nebraska in July as Dave Nelson takes on his first bowling tournament event. I am sure that both will be great events for all that attend. Your organization is active and working to bring more visibility to every part of the country. And our membership growth shows that we are on the right track to bring the sport of wheelchair bowling to many new people. We have grown the organization 21% in active bowlers since the Nationals. That's 24 new members and Life members!!!! The Membership committee has been very busy trying to keep up with all the activity which is very exciting. One of our new directors, Colby Kortum, is putting the final touches on the AWBA first Ranking system which should be ready to go by year end. This will allow all of our members to see how they stand up to their competition. It will also assist us in working with the USBC and the Pan Am games since we will in fact have a system that ranks our bowlers. We continue to receive questions from around the world regarding wheelchair bowling and are hope that within the next few months the International 10 Pin Association will be in place. Once that takes place, our horizons are unlimited and will truly bring the sport of wheelchair bowling to the masses around the world. Our National Sponsors continue to be big supporters of the AWBA. And George Holscher, Storms Field Rep for the AWBA is doing a great job in not only promoting Storm but winning a few events as well. Almost all the sponsors that supported the 55th National are back for the 56th and I want to extend my sincere thanks to them for their support. Still waiting on a couple to commit but I am sure they will be on board again. It makes my job as the Tournament Director a little easier to handle. As we look to the future, 2017 will be an exciting year for the AWBA. We will be attending the USBC Convention as well as Bowl Expo, and Abilities Expo's around the country promoting the AWBA and the sport itself. But we want to hear from you, the member, as to your wish for the future. Your board is 13 individuals attempting to give direction in the areas that we feel will be serve you the member. We also are looking to continue to build the brand itself but that brand cannot be built without your thoughts. So, lets talk and we will listen. In closing, let me wish each of you a wonderful and safe holiday season. We are all blessed to live in the greatest country in the World. We all have much to be thankful for so lets give thanks and celebrate the joy's that come with the season ahead. Happy Thanksgiving, Merry Christmas, and an awesome New Year!!!!!! I have enjoyed serving you in 2016.

The 12<sup>th</sup> Annual MSCPVA Invitational was recently held in Colorado Springs at King Pin Lanes. It was attended by 25 bowlers from around the country. The weather was beautiful and the bowling was outstanding as many bowlers exceeded their average during the competition. The staff at King Pin Lanes were once again very accommodating as they hosted this event for the 11<sup>th</sup> time in 12 years.

The Singles competition got underway on Thursday with all bowlers competing in one division. The first 2 sets went without a hitch. Doubles competition took place on Friday under a USBC format of three games. Rather than cut to a certain number of teams after the first 3 games, the winners were simply recognized on the cumulative series of the three games bowled of each team. In the end, Scott Miller, Colorado, and Gil Herrera, Oklahoma won the doubles followed by John Budd, Indiana, and Kevin Schaefer, California taking Second. Friday night saw a packed house for the Up/Down Event. With wonderful support from the local community, this event is always full with lots of fun and some great bowling. One individual bowled a 900 series, and there were many 300 games bowled as well.

Singles competition resumed on Saturday. Two sets of singles were contested, separated by lunch break in between. The highlight of Saturday in Colorado Springs is without question, the Haliburton 18 wheeler rolling in and firing up the pits for a wonderful steak lunch, with all the trimmings. A big thanks to Haliburton that supports this great event. Sunday was the final day of singles competition and the bowling was well above average. In the end, the top 5 qualifying scratch bowlers were selected to move into the roll-offs for the Scratch Division. Then, the top five handicap bowlers remaining, moved in to the Handicap Division roll-offs. Mark Shepherd was the top qualifier in the Scratch Division. Gil Herrera lead the Handicap Division.

In the Scratch Division, Peter Arballo (5) faced Walt Roy (4) with Roy prevailing, 234-159. Walt then faced Curt Wolff (3), our first ramp bowler to make a Scratch Roll off, with Roy once again prevailing, 205-153. Roy then face Shawn Beam (2) with Roy outlasting Beam, 193-173. Walt then took on Mark Shepherd for the Scratch Championship. Shepherd won the Scratch Division outlasting Roy, 171-159. In the Handicap Division, Nelson Samsel (5) took on Rich Guerrero (4) with Nelson winning, 190-171. Samsel then took on David Nelson (3) with David Nelson prevailing 253-204. David then faced Gary Ryan (2) with Ryan moving on, 244-213. Ryan then faced high qualifier Gil Herrera. Herrera took the Handicap Division Championship, 214-205. Under the format bowled, 3 "B" Division bowlers were in the top 5 in the Handicap division. At the awards presentation, the prestigious "Horse's Ass" award was won by Eddy Hutchins and he proudly kissed the horse in the appropriate place! Other individual awards went to Shawn Beam for High Scratch and Handicap games, Scott Miller for High Handicap Series, Mark Shepherd for High Scratch Series and Gary Ryan for a 4-7-10 conversion.

Others that attended this great event were Dan Spotts, David Spotts, Colby Kortum, Doug Dalton, Kavin Monroe, Mike Galloway, Gary Poole, Mike Deloach, Van Schneider, and new AWBA members Gerald Franklin and Veleete Webb.

Finally, we would like to extend out thanks to the MSCPVA Auxiliary and the many volunteers that helped with the raffle, 50/50, and whatever was needed during the week. We would also like to thank our sponsors: Storm, National PVA, Logo Infusion, ABC Medical, USBC, BPAA, Haliburton and many others for their continued support of this event. Without each of you, this event would not continue. And finally, a great thanks to Patty Shepherd who did all the scoring for the event for the first time. We thank you very much for all your hard work.

As so often happens a number of bowlers that had entered this 1<sup>st</sup> Annual MAPVA event had to withdraw for one reason or another. We certainly missed Al Uttecht (family death), board members Wayne Webber and Harold Bowman for personal issues, as well as Norm Bissell, and Craig Harvey who was hospitalized.

That said, we still had 17 AWBA bowlers compete and we were pleased to welcome a new bowler from West Virginia, Albert Martin, who plans on becoming a regular participant in the future.

I am most appreciative that the chapter honored our commitment to those competing to payout the entire prize fund as advertised. My hope is that next year many more of our bowling friends around the country will avail themselves of our hospitality and beautiful weather and make the commitment to us that we have made to you... to provide the best tournament possible to all attendees.

Friday morning began with 7 doubles team bowling 4 games of qualifying with 4 teams advancing to the roll offs. Ron Richardson teamed with Dave Roberts to capture the title defeating the team of LaDon Chambers and George Holscher. We had a bowling clinic with approximately 10 bowlers brought out by the Veterans Administration to try their own hand at bowling. Several were able to throw the ball with their arm and a few were restricted to using the ramps provided by the bowling center. I believe that was an excellent opportunity to demonstrate what the AWBA can offer these individuals in terms of improving the quality of their lives by becoming active participants through bowling.

In the roll offs of the A division Gary Poole defeated Jimmy (208 to 165), before losing to James Carver (211 to 197). Carver failed to advance as Phillip Daniel bested James (203 to 177). High Qualifier, Terry Rock prevented Phillip from another win by a margin of (195 to 178). The B division roll offs found Ron Richardson winning over Steve Edgar (197 to 184) before losing to Chris Bacon (210 to 186). Chris continued to advance by bettering Keith Green (216 to 196) but was unable to successfully unseat High Qualifier LaDon Chambers falling (216 194). In the Scratch finals, Roger Templar won over Albert Martin (144 to 125) before bowing out against Dave Roberts (171-136). In turn Dave fell to Keith Scott (155-145) and High Qualifier George Holscher held off Keith in the finale (190-139) to win the championship. Congratulations to all the bowlers who competed, especially to the champions.

My thanks to all the individuals who helped in raising funds especially, Jen Purser who I could not do this without her help, my wife Sue, MAPVA volunteers, and Lisa for whatever needed to be done to further assist our staff. The Mid Atlantic Chapter PVA, National PVA. Many thanks to the Bowl America staff for their great support both with the bowling and the luncheons they provided. Hope to see twice as many bowlers next year.

The AWBA lost one of our newest members this month with the passing of Jerry Voorheese. Jerry was a returning member from years passed and loved the sport of wheelchair bowling. He won the Richard Carlson Award this past National and also place 3rd in the “B” Division championships. Jerry will be missed by those in the Dallas area that brought him back to the sport. Now, he is bowling with those passed members in a far better place.

Prior to bowling we had enrolled 25 bowlers for the tournament this year but as happens we had 17 bowlers once bowling commenced for the 2016 Southern Open held this year at Stars and Strikes Lanes in Hiram, GA. Harold Bowman's committee and the staff provided everyone who attended with the best efforts possible given so many individuals had to drop due to travel complications and personal issues. We lost JK Johnston (TX) after the first set as well due some discomfort while bowling. We hope they will return to join us next time.

Things started out on Friday morning with Keith Green (VA) and Phillip Daniel (TX) capturing the Doubles crown over John Budd (IN) and JK Johnston in the pins over average format. Friday night Wayne Webber (FL) teamed with local bowlers Chris and Jeff Sosebee to win the Up and Down team event.

Immediately after the doubles we bowled the first 3 games of singles qualifying. It was decided to forgo the scratch division and divide the bowlers into an A and B division. We agreed to award that individual who tallied the high scratch qualifying score with the Scratch Championship trophy and George (Holscher) set an early pace with a fine 609 effort. In fact he amassed a 12 game qualifying mark of 2400 on the nose to garner that honor.

The qualifying turned out to be competitive as Dave Nelson Jr. (NE) edged out Holscher for top qualifier in A by merely 25 pins. John Budd qualified 5<sup>th</sup> and climbed the ladder to the championship game defeating in order, Terry Rock (OH) 204-198, Phillip Daniel 224-203, George Holscher 268-207 before losing to Nelson 241-191.

Similarly, Kenneth Mumford (TX) did the same thing in B besting Jerry Voorheese (TX) (9<sup>th</sup> & 10<sup>th</sup> frame roll off after tying 204) 51-42 in the first match. Ronald Richardson (NC) was his next victim 223-149, then Keith Green 210-172 before Ken lost to high qualifier Jim Coffey (FL) 247-209.

Handicap honors went to Budd 688 HHS and Holscher 249 HHG in A, Coffey 702 HHS and Mumford 237 HHG in B. Congratulations to all the bowlers who won prizes this year.

My thanks to all the individuals who helped in raising funds, especially, Nancy, Kim, Suzie, and Carolyn. I am grateful to Nancy and Dave for the scoring assistance as our official scorer was unable to get a flight from CA due to the Southwest shutdown. Helena did provide all the necessary information to make the scoring much more manageable which was much appreciated. Thanks to my committee for another fine job hosting too. Hope to see you all in Council Bluffs, IA for the next version of the Southern Open – up north a little.
